

# SHIN 申 SEI 世

Shinsei (pronounced shin-say) means "rebirth" or "new beginning" which is actually what owners Tracy Rathbun and Lynae Fearing had in mind when they joined their families together to become the most dynamic Culinary Duo in Dallas.

Those close to Tracy and Lynae were not surprised when they decided to form a partnership and open a hip Pan Asian Restaurant complete with an interactive and friendly Sushi Bar.

Both women had a vision of opening a restaurant that was completely different from any other concept in Dallas.

Catering to their local neighborhood was very important; equally important was wanting their restaurant to be a place where people could relax and enjoy delicious Asian cuisine.
