

# Runway 18R ARFF Road Reconstruction

## Project Scope

- Fully reconstruct the emergency/service road north of Taxiway C9
- Relocate the portion used by tenants to outside the Taxiway C object free area
- Possible construction of new roadway entrances into various ramps
- Two traffic lanes to remain always available
- Safety enhancements included to prevent inadvertent access into taxiways or runways

## Project Status

- Currently in design
- Construction start targeted for Fall 2018
